CASE REPORT**NARRATIVE**

17-17179

Assault

Ofc. K.Burbridge #622

05-24-2017

On 05-23-2017 at approximately 1617 hours I arrived at 10200 NE 132nd St. for a report of an assault. When I arrived on scene I spoke to the victim [REDACTED] (DOB: [REDACTED]) who told me verbally and in a written statement that that she was standing near the nurses station when a person later identified as [REDACTED] (DOB: [REDACTED]) walked up behind her and grabbed her around the neck. Jenna said that she struggled to get free and tried to say "please help me" but that it was hard to speak because of the pressure on her neck. A friend of [REDACTED] named [REDACTED] then came up and pulled [REDACTED] off of her. [REDACTED] said that multiple staff members surrounded her to make sure that she was okay. [REDACTED] also said that she did not want to press charges against [REDACTED] but that she wanted to file a police report. [REDACTED] said that she did not lose consciousness but did feel pain and pressure on her neck when [REDACTED]'s arm was around her neck.

I was unable to speak to [REDACTED] because she is not allowed out of the secure are of Fairfax and police are not allowed in the secure area of the care facility.

The video shows a female wearing hospital type gown run up and grab [REDACTED] around the neck and pull backwards. The assailant has a hold of [REDACTED] for approximately 5 seconds before a man pulls them apart.

I obtained video of the assault and it has been entered into evidence under evidence number 1717179EV622-001 in case [REDACTED] decides at a later date that she wants to file charges against [REDACTED]. I have also added [REDACTED]'s statement to the case jacket.
